I. Senate to Consider COVID-19 Bill Package

On Thursday the Senate will consider the COVID-19 bill package [passed by the Assembly](#) earlier this week. The bill package includes legislation addressing budgetary, election, Open Public Meetings Act, Open Public Records Act, and employee leave issues that have arisen as a result of the COVID-19 pandemic. For more on the bills please see our recent [blog post](#).

Please note that some of the legislation is for the COVID-19 pandemic while other legislation is for a declared State of Emergency, Public Health Emergency or State of Local Disaster Emergency.

II. Social Security Offices Will Only Offer Phone and Online Service

All local Social Security offices will be closed to the public for in-person service starting Tuesday, March 17, 2020. This decision protects the population they serve—older Americans and people with underlying medical conditions—and their employees during the (COVID-19) pandemic. They are still able to provide critical services.

Their secure and convenient [online services](#) is available. For questions or problems call their national line at 1-800-772-1213.
