## Conference Connections

### League Launches Attendee Newsletter

New for this year's [League Conference](#) is an information resource for Conference attendees. Upon registration, your name will be added to the subscription list for the new Conference Connections newsletter and receive ongoing messages about the highlights and keys to a great Conference experience.

The content you read here will be different than that in the newsletter. We will be providing registrants with this newsletter to keep them informed about the features, exhibits, and programs that make this event unique and tailored for their specific needs as they strive for local government excellence. This free Conference Connections email will come out more often as we get closer to the Conference to make attendees feel welcome and build excitement for the return of the in-person event.
