II. Conference Connections

Book Your Conference Housing Today

Get the most from this year's in-person League Conference by staying in Atlantic City to conveniently attend all three days!

Book your hotels online or download the form to reserve your rooms within the League housing blocks by visiting [the housing section of the Conference website](#).

This year, the housing form can be sent in until October 9 and the online housing system can be used through October 15.

The hotel options include big boardwalk hotels and non-casino properties, too. For a full rundown with rates and cancellation dates, please review [this year's housing map and rates](#).

The benefits of reserving your room with AC Central Reservations include:

- All participating hotels ensure attendees are adequately accommodated and all

standards are met.

- The League uses the booking lists to distribute important conference information, relay any housing changes, arrange shuttle bus accommodations, and other critical functions.
- You will receive a direct email acknowledgment of your reservation.
- You will be working with a reputable company and your credit card information is secure.

All housing reservations for the League Conference are processed solely by A.C. Central Reservations, Inc. They are the only authorized housing company affiliated with the League and will not contact any delegate or exhibitor unsolicited. **Please do not book your reservations with any company that solicits you via phone, email, fax, or mail.** You cannot be assured your credit card information is secure and your room reservation may not actually be made.

Using unauthorized reservation services creates real problems for you and the conference as a whole. Your room will not be part of the official conference housing block so you won't get emergency housing information, nor will there be adequate shuttle bus services to your hotel.

We look forward to seeing you in Atlantic City Nov. 16-18!

Registration Rate Update

The Early Bird Discount Conference registration rate of \$60 for government/nonprofit attendees, \$120 for non-government attendees, and \$25 for students ends on October 1. On October 2 through November 12, prices go to \$70 for government/nonprofits, \$150 for non-government attendees, and \$25 for students.
