Re: Free South Jersey Complete Streets Workshop

Dear Mayor,

The Cross County Connection Transportation Management Association is hosting a Free Complete Streets Implementation Workshop for municipalities and counties in south Jersey.

The focus area covers the counties of Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester and Salem. The workshop will function as a direct peer-to-peer exchange, where panelists, elected officials, planners, engineers and others, will share their experiences with the attendees regarding the implementation of their communities' Complete Streets policies.

The workshop will be January 20, from 9:00 AM to 2:00 PM at Rowan College at Gloucester County (formerly Gloucester County Community College).
