Re: Sustainable Jersey Announces 32 NJ Towns Receiving Grants for Sustainability Projects

Dear Mayor:

Today Sustainable Jersey announced the 32 New Jersey towns that were selected for Sustainable Jersey Small Grants funded by the PSEG Foundation. Since 2009, Sustainable Jersey has distributed approximately \$1.7 million in grants to New Jersey municipalities to help towns make their communities more livable, environmentally friendly and prosperous.

“Supporting municipalities with funding to do innovative sustainability projects at the community-level is an important step toward our goal of a sustainable New Jersey,” said Sustainable Jersey Co-Director Randall Solomon. “Congratulations to all of the grant recipients.”

“Environmental, social and economic issues are the cornerstone to the PSEG Foundation’s support and we are committed to leading the communities in which we serve towards a more sustainable future,” said Ellen Lambert, president of the PSEG Foundation. “The impact of these projects will have a lasting impact to neighborhoods throughout New Jersey.”
