***New Jersey Municipalities* is now available digitally**

The New Jersey League of Municipalities is pleased to announce that *New Jersey Municipalities* magazine is now available digitally as well as in print for the same low price of \$20.00 for members and \$25.00 for non-members.

In addition to subscribing to receive our printed magazine, readers may now subscribe to receive digital issues viewable on tablets, smartphones and computers. Digital magazines are compatible with Android, Apple and Windows devices.

This new digital copy contains the same content as our printed magazine, however it also contains active hyperlinks in the editorial content, the ability to bookmark articles, the ability to take and save notes and its content is searchable by keyword. It is also conveniently with you on the go, as long as you have your electronic device and an internet or data connection to view it. An e-mail address is required for log in purposes.

Individual subscriptions are now available for purchase, and will be sold as print only or digital only.

To order, please submit your P.O., voucher or check, payable to *NJLM*. To view a sample of our digital magazine, go to www.njmmagazine.org. Please do not hesitate to contact me at ffratticcioli@njslom.org or (609) 695-3481 extension 117 with any questions that you may have.
