Re: Bus Shuttle and Overflow Parking Locations for 101st Annual League  
Conference -- November 15 - 17, 2016 Atlantic  
City Convention Center

Dear Municipal Clerk:

**PLEASE BRING THIS TO THE ATTENTION OF ALL INDIVIDUALS ATTENDING  
THE LEAGUE CONFERENCE.**

Experience shows the shuttle bus system is the best method for getting around Atlantic City. Please [click here](#) for the shuttle bus schedule. If you decide to drive, there is a possibility you will not be able to park at the Atlantic City Convention Center. If their garage is full, you should proceed to the overflow parking locations. For the overflow parking locations please click onto [http://www.atlanticcitynj.com!/userfiles/pdfs/Maps/ParkingMap\\_Aug2016.pdf](http://www.atlanticcitynj.com!/userfiles/pdfs/Maps/ParkingMap_Aug2016.pdf).

We recommend you plan on using the shuttles from the hotels to the Convention Center. There is no need for you to carry bus fare, they are quick and convenient, and they will save you time. The shuttles only run from the hotels noted on the linked schedule.

For your convenience there is a Shuttle Bus Accessibility Form, which can be filled out and either E-mailed or faxed back to the League office. For the Shuttle Bus Accessibility form click onto PDF

Please share this information with all your municipal officials attending the 101st Annual League Conference, November 15 - 17, 2016.

Very truly yours,

Michael J. Darcy, CAE Executive  
Director
