League Conference Hotel Information

a. Reserve Your Hotel for the League Conference

Preparations for the 104th Annual League Conference November 19-21 are underway and the hotel reservations system is open for attendees and exhibitors at the [League Conference Web Page](#). There you will also see a preliminary schedule of conference sessions.

Staying in Atlantic City for the Conference is a great way to get the most from your attendance at the Conference. Staying over will maximize your time and opportunities to participate in the educational, informational, and networking opportunities offered throughout the Annual League Conference.

b. Unauthorized Hotel Reservation Services

Every year there are unauthorized firms soliciting housing and hotel reservations from attendees at the Annual League Conference. We assure you that the only firm authorized to handle our conference housing reservations is AC Central Reservations. This information is on the top of the official conference housing form sent to all municipal clerks and posted on [our website](#).

Using unauthorized reservation services creates real problems for you and the conference as a whole. You cannot be assured your credit card information is secure and your room reservation may not actually be made. Using unauthorized services means your room will not be part of the official conference housing block so you won't get emergency housing information (which happened in both 2011 and 2012), nor will there be adequate shuttle bus services to your hotel.

As always, the League is available to answer your questions on any aspect of the annual

conference and we strive to make your participation both enjoyable and highly productive.
