The 2019 Annual League Conference App is Exclusively Sponsored by AT&T.

II. Vaping Information for Mayors

In partnership with the Mayors Wellness Campaign, the League has posted resources to help mayors understand and respond to vaping concerns throughout their communities. This includes underage vaping and any use of vaping products that might create unknown health risks. Recent media accounts have noted severe health impacts and even death among youth and adults. Governor Murphy has established a [task force](#) to review all aspects of vaping in New Jersey. Take a moment to [understand the current risks and concerns](#) so you can help keep your community safe.
