Dear Bill:

On behalf of the State of New Jersey, I am pleased to congratulate you as you retire after almost 20 years of service as the Executive Director of the New Jersey State League of Municipalities.

Since its inception, the League of Municipalities has served our State by providing assistance and guidance to New Jersey's 565 cities and towns. For more than 40 years, you have played an active role in the diverse selection of programs, services and activities that have allowed local government to provide essential services at the highest possible quality. In addition, you served as a determined advocate for the League, fighting for the best interests of its members. As you reflect upon your accomplished career, you can take pride in knowing that your tireless efforts have had a great impact on many lives. Thank you for serving as a positive role model for our State's residents.

Please accept my sincere wishes for continued good health, happiness and success in all your future endeavors.

Sincerely,
