The New Jersey League of Municipalities
222 West State Street
Trenton, NJ 08608

Dear Friends:

It is a pleasure to congratulate you as you celebrate the 100th Anniversary of the New Jersey League of Municipalities.

For a century, the New Jersey League of Municipalities has provided critical support to every municipality in our state, serving as an invaluable resource for the Mayors, Council Members, and municipal staff of New Jersey's more than 500 municipalities. Your tremendous work serving our communities is commendable, and I am honored to join in celebrating all you have accomplished over the past 100 years.

Again, congratulations. I look forward to your continued success.

Sincerely,
